Financial Access signed multi-year collaboration agreement with Stanford University Graduate School of Business

AMSTERDAM, 18/05/2018 - On May 15th, 2018 Financial Access (www.financialxs.com) has started a multi-year collaboration with researchers at Stanford University Graduate School of Business (<https://www.gsb.stanford.edu>) to accelerate financial inclusion for smallholder farmers in agricultural supply chains in developing economies.

The collaboration seeks amongst others to advance research in the area of data-led credit risk scoring and loan structuring and to develop business models for financial institutions to integrate jointly developed smallholder credit scoring models into their credit decision-making and operating processes.
